---

**B.Tech Artificial Intelligence**, GHRCE Nagpur 2020 - 2024  
CGPA - 9.4

**Senior Secondary Certificate**, M.C.S Public School Balaghat 2019  
Percentage - 76.6

**Secondary School Certificate**, S.T. Mary's School, Balaghat 2017  
CGPA - 9.8

## TECHNICAL SKILLS

---

Languages	HTML, CSS, JavaScript, Python, C, C++
Web Development Frameworks	React.js, Next.js, Express.js

## PROJECTS

---

### AI Odyssey

- Developed a React-based website for the "AI Odyssey" event, providing comprehensive event information, schedule, and other relevant details.
- Utilized React's component-based architecture and state management to create a dynamic and interactive website, allowing attendees to explore event details and engage with the content.
- Implemented responsive design, ensuring optimal user experience on different devices and screen sizes.

### Afolio

- A Next.js based portfolio website with a design inspired by Google.
- Showcased my skills, projects, and experiences through a visually appealing and interactive user interface.

### Orange Hacks

- Created a Next.js website using TypeScript for the Orange Hacks community.
- Created a modern and intuitive user interface, enabling visitors to explore previous and upcoming events, and engage with the community.
- Leveraged Next.js's server-side rendering capabilities for improved performance and optimized SEO.

## ACHIEVEMENTS

---

**Department Rank 1** - Amongst 120 students at the end of the fourth semester, Department of Artificial Intelligence.

**Smart India Hackathon** - Finalist in SIH 2022, a prestigious national-level hackathon organized by MoE.

**Microsoft Imagine Cup** - Ranked among the top 20 teams in India and top 5 teams in the Earth category at Microsoft Imagine Cup, a global technology competition showcasing innovative solutions.

**VOIS Hackathon** - Achieved a position in the top 8 teams in the National Finale of the VOIS Hackathon.

## LEADERSHIP AND EXTRA-CURRICULAR ACTIVITIES

---

- Student representative in the Board of Studies.
- Organized and hosted over 10 successful technical and non-technical events.
- Actively led and participated in diverse event-hosting communities, fostering collaboration and knowledge sharing through impactful events.
